23:29-33:04	"The Lord can multiply us—our desires, talents, abilities, faith"
33:05-41:49	"We have to step into the dark, even when it's not logical"
41:50-46:08	"When the desired miracle DOESN'T come"
46:09-52:11	"They that be with US are more than they that be with them"
52:12-END	"Start with that hope, faith, belief in miracles"

1. When have you experienced something you knew was from God, that you couldn't exactly explain or understand, that could be called a "miracle?" Write about this in your journal if you haven't already. Remember this today.
2. Ask the Lord, "Help me to understand revelation and see daily miracles from Thee." Practice seeking and seeing/experiencing miracles daily.
3. How has the Lord "multiplied" you? Your talents? Your health? Your abilities? Your faith? How has He made you "more?" Write about this in your journal.
4. When have you had to "take that first step into the dark," not knowing if the miracle would come? What was that experience like for you? Did the miracle or blessing come? How did you respond?
5. Do you ever let "logic" prevent your belief, faith, or receiving of blessings & miracles? Do you ever fail to do the "small, simple" things the Lord asks of you, because of the easiness of the way? What is one thing you might do this week to improve?
6. Have you wanted a miracle you didn't receive? How did you deal with this? What is one thing you might do today to help heal that experience, to feel what you need to feel, and ask, "What Now? What can I learn?"
7. What is one thing you might do this week to "open your eyes & see" the miraculous gifts and blessings, large or small, the Lord is giving you?
