1. Step 1 in trusting the Lord is to decide you want to trust him. Have you made that decision? Have you "chosen" to look for ways to trust Him? If not, what is blocking you? If so, how has this decision helped you better trust Him?
2. Step 2 in trusting the Lord is to ask for His blessings, help, guidance, comfort. How have you asked the Lord for these things and seen His hand in your life? What might you do to ask more frequently and fervently?
3. Step 3 involves listening to the Spirit and stepping into the dark, then taking the next right step and the next and so on. How have you sought to apply this to your life, especially in times of trial? What do you need to improve about this process? Do one thing to take another step, trusting Him, this week.
4. What helps you be mindful, still, and hear the voice of the Lord (Step 4)? Meditation? Prayer? Walking? Nature? Select one or more of these & do it today.
5. Examine what you wrote for 1-4 above. Based on this, what are some things you might do this week to experiment with trusting the Lord (Step 5)?
