32:50-41:04	"Seek the Lord; Receive personal revelation each day"
41:05-52:41	"3 Steps to hear Him & receive revelation; Develop a daily practice"
52:42-END	"You and I are the 'Saviours on Mount Zion'"

1. Have you ever felt like you're just "going through the motions," or "trying to do your list" when it comes to daily gospel living? To your relationship with the Lord? How might considering the tools that are truly helpful and focusing on your relationship with the Lord enable you to more fully "seek" and "hear" Him?
2. What difference would it make in your daily life if you were to be able to see things from the "Lord's view," and not the "natural (wo)man's" view/way? Write about this in your journal and select one way to work on this, this week.
3. Listen to 25:51-32:49. Consider how you are doing with listening to the prophets. Do you seek their words? Do you hear *Him* as you hear them? Do you *act* on the words you hear? What is one thing you might do this week to better do these things?
4. Have you been working on personal revelation, daily? Why or why not? Ponder how doing so might bless and guide your daily experiences, relationships, and testimony. Write about these things in your journal, and set one goal to work on this, this week.
5. Listen to 41:05-52:41. Think about the three steps mentioned, and how might these help you develop your relationship with God and receive greater personal revelation?
