00:00-16:40	"QOTW: How do I have the faith to 'come boldly to throne of grace?'"
16:41-38:32	"Background to Hebrews; 3 Components of living and acting in faith"

48:47-END	"Faith for ministering angels, to receive grace, soften your heart & enter His rest"

- 1) What sacrifices have you had to make as a disciple of Jesus Christ? Which are most difficult? How do you handle these sacrifices? What helps you? What doesn't?
- 2) What does it mean to you to walk to the edge of the light, and then take a few steps into the dark? When have you had to do this in your life? How did you do it? What helped you? What didn't? How might you grow in this skill of faith, this week?
- 3) How do you define faith? Spend some time pondering, praying, seeking in the scriptures, and meditating, and then write about this in your journal. Share your definition of faith with someone you love, this week.
- 4) What spiritual gifts have you been given? List these in your journal, and write a sentence or two about what they mean to you. Which gifts do you feel you lack and yet desire to receive? Set aside time to pray and ask your Father in Heaven for these gifts. Listen to what He encourages through the Spirit, and act on these things.
- 5) When have you experienced the ministering of angels? What did it feel like, look like, do for you? Write about this experience and/or share it with someone you love. If you don't think you've experienced the ministering of angels, ask your Father in prayer for this experience as needed. Ask to be able to know when you receive it, to be able to feel the presence of those helping you daily. Write about or share with someone you love, this week.
- 6) How is your heart today? Do you feel it's soft and receptive to what the Lord is asking of/directing you to do? Why or why not? What is one way you can strive to have a softer heart this week?
