17:34-30:34	"Come unto Christ to gain knowledge, understanding & wisdom"

- 1) What knowledge, understanding, and/or wisdom do you want/need in your life right now? Spend some time pondering this, and write about it in your journal. Then, seek to "Come unto Christ" in prayer, asking to receive what you need. Pay attention to the whispers of the Spirit, experiences, and inspiration you receive and write about it, and apply these things this week.
- 2) What changes are you currently experiencing? Which changes did you welcome or invite into your life? Which changes came unexpectedly or perhaps even unwanted? List these in your journal, and ponder how these might be opportunities to gain wisdom. Write about, or discuss this with a trusted other, this week.
- 3) Who are your "influencers"? Who do you think of when you consider being influenced, for good or bad, day to day? Are these the people you want to be influencing you? Why or why not? Did you include Jesus Christ in your list?
- 4) Listen to 17:34-30:34. How do knowledge, understanding, and wisdom differ and compare, in your opinion? Which, if any, of these three are you currently seeking in your life? In what ways? What helps you gain knowledge, understanding, and/or wisdom? Are you putting more of these activities into your life? Why or why not?
- 5) What does it mean/look like for you to "come unto Christ?" What activities, experiences, sources, people help you come unto Him? Which of these prevent you from coming unto Him more fully? Spend some time pondering and outlining these things in your journal, and then set a goal this week to more fully come unto Him.
- 6) How does *The Book of Mormon* help you gain wisdom? Use this great book to do so this week.
